SCRAPER ACCESS SAFETY SYSTEMS

The global access company that pioneered "Grader Access Systems" in 1995 proudly release their "NEW SCRAPER ACCESS SAFETY SYSTEMS" for Cat 631, 633, 637, 651 and 657 Scrapers. Our patented trademark product line of Grader & Scraper Access is the only design on the planet that fully conforms with BHPs & Rio Tinto's Access and Egress Safety Protocols.
